

A baby born, A holy night
Guiding star, Shining bright
Jesus Christ, the Lord has come
Left aside his royal throne
King of all creation
Bringing love from heaven
Peace on earth
Good will to all mankind

*The greatest gift the world has known
The greatest love to earth is shown
God has sent his only son
A special gift for everyone
The greatest joy the angels sing
The greatest news of hope they bring
Christ is born in Bethlehem
Come celebrate this happy day*
