

All of my heart, all of my soul  
Made for Your presence, resting in awe  
Intimate love, infinite life  
Won at the cross and risen with Christ  
I've been pursued for all eternity  
Carried through, My First Love first loved me

***Your light shattered the dark, Your love captured my heart  
And I am Yours forever  
Your death brought me to life, King of Glory, You are my delight  
And I am Yours forever, I am Yours forever***

I'm falling deeper in love, an ocean of grace  
Drawing me closer, calling my name  
Chosen and known, adopted Your own  
Never forsaken, never alone  
For I'm with You for all eternity  
Carried through, My First Love first loved me

Lord to You, I'm lifting my eyes  
Giving my life, surrendering everything  
It's You I'm bowing before  
Jesus, I'm Yours  
Lord to You I'm lifting my eyes  
Love of my life, You are my everything  
It's You I live to adore  
Jesus, I'm Yours
