

King of our life story
Friend, steadfast and sure
God is with us
Yesterday, today, forevermore
Lord of our salvation
Walking by our side
All sufficient, all sustaining
Faithful friend and guide

***Love that knows no ending
Truth to hold unchanging
Strength for every season
Grace when we fall
Light for ever shining
Hope in us abiding
Faith and full assurance
Peace over all***

God of all our journey
With each step we take
Be our way, our truth and life
In every choice we make
Author of creation
We will follow you
Steer our path and be our vision
All our lifetime through
