

Reach for love
Hear the call
Taste and see that the Lord is good
Live for him
Give you all
Taste and see that the Lord is good

Did you know, you are loved, for ever?
For the God who gave you breath, has called your name
He is looking, out for you, with unending love
Will you turn around, and follow in his way?

CHORUS

Listen now, you will hear, of one who cares
If you seek, then you will find your soul's true rest
Trust the Lord, he will lead you, in his perfect light
Look to him again; give nothing but your best

CHORUS

God is good, sing that God is good
