

Hear steeple bells ring down through the ages  
Hear chapel choirs sing through history's pages  
Saints and martyrs led by God  
Walking the path of light

***We'll stand on the faith  
And walk in the path  
Of those who went before us  
We'll treasure the truth  
And follow the light of God  
Who shines upon us still***

Twelve hundred years of worship resounding  
Churches that tell of local faith founding  
Proud and humble led by God  
Walking the path of light

*Still - we gather, still - we worship  
Still - we celebrate His story  
Still - we gather, still - we worship  
Still - we celebrate His glory*
