

Lord my God I turn to you again  
All my life you've been my one true friend  
Ever present help in times of need  
Lord, you are my life

*You are my hope, when all the hope is gone  
You are my strength, when I can't carry on  
You are my truth, when all the world seems wrong  
You are my certainty, Your love will be my song*

Lord, I need you every passing day  
Leading, Guiding me along the way  
I know I can trust in you alone  
Lord, you are my life

And when the times of trouble come  
I will look to you  
For you will hold me through the storm  
You will lift me up  
You will lift me up
