

***All our faith, all our life, all our hope is found in you  
The everlasting God who reigns for evermore  
We believe, we will live, we will trust in you alone  
Our ever-faithful God, who reigns for evermore***

Faithful God, our refuge and deliverer  
Living Lord, our saviour and our friend  
Holy Spirit, guiding and empowering  
One true God, in you we can depend

We will stand, the truth of God affirming  
With our faith to hold steadfast and sure  
Confident in all that you have promised  
On this rock, our lives are held secure

Sovereign king, faithful and true  
God unchanging, we trust in you
