

ALL CREATURES OF OUR GOD AND KING

Verse 1 - The rushing wind that blows so strong
The clouds that sail in Heaven along
Oh praise Him
The rising sun, in praise rejoice
The lights of evening, find a voice
Oh praise Him

Pre-Chorus - Hallelujah, Hallelujah
Hallelujah, Hallelujah

Chorus - All creatures of Our God and King
Lift up your voice and sing
Hallelujah
Let all creation bless His name
He is worthy of all praise
Oh praise Him
Hallelujah

Verse 2 - Flowing water, pure and clear
Music for the Lord to hear
Oh praise Him
The fire, masterful and bright
Which gives to us both warmth and light
Oh praise Him

Bridge - In sorrow and in pain
May the praise remain
For I know our God reigns
My faith is in the King
Who gave life to everything
It's Him I praise

Final Chorus All creatures of Our God and King
Lift up your voice and sing
Hallelujah
Praise, praise the Father, praise the Son
Praise the Spirit, Three in One
Oh praise Him
Hallelujah
