We have come before You God Gathered in Your presence Here we stand on holy ground In awe of You we worship

We're unworthy but You've shown us grace In your mercy we will sing Your praise

Almighty, victorious
All the earth declares that You are God
Forever
Wondrous and glorious
We will live to worship You our God
Forever

Your word is true, we look to you You have shown your glory Here we stand with lifted hands For we were made to worship

Praise is resounding in this place
We are gathered in Your name
To proclaim
Forever You will reign
Love is Your banner over us
We unite around the cross
You have won
Your praise will be our song
