

The day has come, the time is here
That we've all been waiting for
The star shines bright, the angels sing
Announce the child is born
God is with us, born a baby
In a manger laid
Bring your presents, everybody
Worship him today

**Come and join the party down in Bethlehem
The special day has finally arrived
Christmas celebrations down in Bethlehem
Where hope was born eternal tonight
For God has come to earth for everyone
Let's party tonight**

The promised King, from heaven's throne
A gift of love for all
Is born today, for you and me
Hear the angels call
God is with us, born a baby
In a manger laid
Bring your presents, everybody
Worship him today
