

Born a king, light of life  
Hope for all the world  
Precious gift from heaven's eternal throne  
Star of joy, Saviour  
God's anointed one  
Given from the father's heart so freely

*Thankyou for coming  
In love at Christmas time  
For giving me a future  
That could never have been mine  
O Lord you won a life for me  
Forever I can know your peace  
Thankyou that you came  
In love at Christmas time*

How can I ever know  
All you've done for me  
The highest love of all I don't deserve  
Making a way  
For me to come back home  
Eternally I'll praise you o my king
