

We are all God's family
We are called to love, we are called to care
Reaching out to those in need
We will bring new hope, your hope

***We want to change the world we live in
We want to make a better place for everyone
We're gonna dance upon injustice
We're gonna change the world whaooo***

We are given all we need
We are called to give, we are called to share
A voice for those who cannot speak
We will tell the truth, your truth

BR:

With a generous heart and a love to show
We will go, we will go
With a passion for compassion let it overflow
We will go, we will go
With a voice that will SHOUT and a message of hope
We will go, we will go
With a commission for a mission that will change the world
We will go, whaooo
