

Heaven resounds with songs of worship  
Glory to God, Eternal King  
Nations will come and give you glory  
Mighty one  
No other name deserves our worship  
You are acclaimed as Lord of all  
Sovereign, Majestic God, Righteous and true

*We cry Holy  
Lord God Almighty You're Holy  
Worthy of all of our honour  
Worthy of all of our praise  
We give You glory  
For ever and ever all glory  
Joining all heaven in endless praise  
We will bow down at your throne  
We worship you*
