

I take you, my love  
To be mine forever  
In good times and bad  
We will be together  
Everything I am is yours, all that I possess  
Sharing all our future hope and dreams

*I will love you, will cherish you, always  
Now and from this moment, 'till the end of our days  
Every heartbeat I live for you only  
For ever, For ever  
Happy ever after we will stay*

Knowing that you love me makes my life complete  
Knowing that you're here with me each day  
In happiness and sadness we can share the highs and lows  
For better and for worse we will stay
