

# **JESUS IS ALIVE**

**There is news of life to bring  
There's a song of hope to sing  
For Jesus Christ was raised to life  
And we are raised with Him**

**He washed away our sin  
And now death has lost it's sting  
For He destroyed the darkness  
Which could not destroy Him**

**We have been saved by love  
Death has been overcome**

**Hear the cry, Jesus is alive  
Risen from the grave, He shall ever reign  
Join the song, the victory is won  
Raise your triumphs high, let the anthem rise,  
Jesus is alive**

**By His grace, we've been set free  
By His blood, we've been redeemed  
His cross has made a way for us  
To live eternally**

**Come and see, the stone lies rolled away  
Go and tell, our Saviour lives today**
