

Let us rejoice
For the Lord of creation
Has come down upon the earth for all mankind
Angels proclaim
As they sing out in adoration
Glory to God who reigns on high

*Celebrate the Lord has come
Jesus Christ God's only son
Born into our world to bring us joy
Come, adore and worship him
All your gift of homage bring
Praise the new born king this baby boy*

God loved the world
So he sent down the king of heaven
Born in a stable, love divine
Shepherds and kings
Kneled before him in adoration
Glory to God who reigns on high
