

Perfect love come to our world
Bringing hope and joy
Sharing in our sorrow and pain
Jesus, Son of God made man
Sent to show us grace
Wondrously and selflessly given

*Love, flows from heavens throne
Perfectly made known
Streaming out for you and for me
Love, calls me by my name
Knowing all my shame
Restoring all he made me to be*

Lord, My saviour yet my friend
I could not begin
To understand this mercy so free
Come to my heart O King
Let your gift of love
Be made known in all that I am
