

Rock of ages, our creator
Source of life and Lord of all
Word of God, all things sustaining
Steadfast and for ever sure
Christ, our rock and firm foundation
We will trust in you alone
One true hope for every nation
Held secure in heaven's throne

Rock of ages, our salvation
Bought for us upon the cross
Boundless grace so freely given
Victory won at precious cost
Christ, our rock and firm foundation
We will trust in you alone
One true hope for every nation
Held secure in heaven's throne

Rock of ages, God eternal
Sovereign, everlasting Lord
Ruler of our future seasons
Full assurance evermore
Christ, our rock and firm foundation
We will trust in you alone
One true hope for every nation
Held secure in heaven's throne
