

Say you will, Say 'I do'
Say you'll always love me to
Say you'll be here for me
Mine for ever, completely

I will treasure each moment
Always, for all time

Each and every day I'll be here to love you
Knowing all the way you'll be right beside me
Each and every day and for ever I'll be true
And every passing day as our love grows stronger
I will cherish you for a moment longer
Each and every day I'll be more in love with you
