

Star of light, shining bright, over Bethlehem  
Showed the way, to the place  
Where the baby lay  
God so loved the world he made  
He came to earth as man  
Lived like us, so we can be, followers of him

*We will follow, we will follow,  
We will follow You  
We will follow, where you lead us  
We will follow You, O Lord*

While Shepherds watched their flocks by night  
They heard the angel song  
Telling them to go and find  
The King who had been born  
They left their sheep and went to see  
If this could be true  
A miracle, the prince of peace, in a cattle stall

As with gladness men of old, saw the shining star  
Left their homes and journeyed long  
Travellers from afar  
So will we, Lord, Joyfully, give all that we are  
Show us how to live our lives  
Following your star
