

We have a mega story
A headline for the world
That Jesus loves and cares for us
For every boy and girl
So we'll broadcast all about it
With action, light and sound
We need to tell everyone
The best news has been found

***GOOD NEWS ! Jesus loves you
We'll shout it loud and clear
GOOD NEWS ! Jesus loves you
It's the best news you can hear***

Now love came down at Christmas
For God loves everyone
'Cause we all need forgiveness
He gave His only Son
So come on everybody
Let's worship Him and sing
We need to tell everyone
That Jesus is the King
