

We Your people come before you now
You are faithful
You are worthy to receive
The highest praise that we can bring
Lord we know that you are God
We will give you thanks
And lift your holy name
With all the earth your song we sing

*Hallelujah, Hallelujah,
We have come to worship you
Give you glory, Give you glory
Faithful God, all praise is due
For You are good O Lord
Your love endures for ever
Hallelujah, we will worship you*
