Your grace is all I need
In your grace I am complete
Adopted a child of the King
Safe in the Father's care
Your love is always near
In your love I am secure
Saved by an everlasting hope
My life is held in You

Your grace surrounds me
Your love has found me
Sovereign king of all
I can but bow before your throne of mercy
Your grace amazing
Your love unchanging
Wondrous Lord of all
I stand in awe
And thank you for your gift of grace
