

Deep in the night
A baby is born
Jesus Christ, the Son of God
On this Christmas morn
The skies fill with light
As angels declare
that Love is here, Immanuel
For people, everywhere

***Hope is here
For all the world today
Hope is near
Forever from this moment we will say
That love has come and made a way
Hope is here forever from this day***

Deep in the night
Salvation is born
Jesus Christ, the Son of God
On this Christmas morn
The dark fills with light
As angels declare
that Love is here, Immanuel
For people, everywhere

***Hail thou ever bless-ed morn
Hail redemption's happy dawn, happy dawn***
