

*Everybody, celebrate God's love
Christmas party, joining heaven above
Everybody, hear the angels sing
Christmas party, for the new born King*

At this special time of year
We come together, friends and family
God has sent his son to us, Immanuel
So let's join with all the world
Young and old, every boy and girl
For Jesus our Saviour is born
What a wonderful day

As we party hands are clapping,
Feet are dancing, let the music play
God has sent his son to us, Immanuel
So let's join with all the world
Young and old, every boy and girl
For Jesus our Saviour is born
What a wonderful day

Everybody celebrate,
Everybody celebrate
Everybody celebrate God's love
