

We stand united; Children, as one  
Future for all of the world  
We join together, from every land  
Part of the family of God

Everyone precious, Everyone loved  
All of us known by our name

*Celebrate life, this gift we are living  
Celebrate hope, for all of mankind  
Celebrate love, to share with each other  
Celebrate life, hand in hand*

We pray for freedom, mercy and peace  
Justice for all of the world  
We ask God's blessing on every land  
Longing for each child to know

Everyone precious, Everyone loved  
All of us known by our name

*Celebrate life, this gift we are living  
Celebrate hope, for all of mankind  
Celebrate love, to share with each other  
Celebrate life, hand in hand*
